Existing Vehicle configuration																			

Key

X

Vehicle classification or upgrade **does not require** certification. No modification or certification is required to issue the permit or process a vehicle configuration change.

✓

Vehicle classification or upgrade **requires** a modification or manufacturers plate to be affixed to the vehicle identifying the type of modification and when it occurred. Customer will need to supply a valid modification or manufactures plate number or undertake an inspection. See [Approved Inspection Stations – Heavy Vehicle](#) for inspection locations.
