

# Safer Travel Speeds in Shared Urban Spaces Funding Program

## Application Form

### 1. Applicant Details

#### Contact Officer

Title (Mr/Mrs etc):

First Name:  Surname:

Position Title:

Council:

Postal Address:

Telephone Number:

Fax Number:

E-mail Address:

### 2. Site Location

Council Area:

Suburb/Town:

Site Description (eg: Intersection, 500m road length, 100 m north of Post Office):

  
  
  

Road Name (s)

Primary Road:

Intersecting Road (if any):

Owner of Road ( Council/State/Other ):

Site Plan Attached Y/N

### **3. Identify Problem**

*(Outline problems at the proposed site including details of conflict between motor vehicles and other vulnerable road users)*

---

---

---

---

---

---

---

---

---

---

### **4. Identify Solution**

**Proposed Treatment:** *(Detail of traffic calming infrastructure eg install signs, modify signals, install roundabout etc.)*

---

---

---

---

---

---

---

---

---

---

**Project Outcome** *(Include reduction in speed resulting from the treatment):*

---

---

---

---

---

---

---

---

---

---

### **5. Supplementary Works**

Details of additional projects e.g. maintenance works, ancillary works, landscaping etc. (*whilst funding will not be provided for these complementary works under the dollar for dollar program, works that integrate with road infrastructure projects will be recognised in the submission assessment process*)

_____
_____
_____
_____

### **6. Benefits of Project**

*(Identify and quantify all expected benefits of the project)*

_____
_____
_____
_____
_____
_____
_____
_____

### **7. Possible Problems:**

Migration of Problem *(Describe any adverse effects on the surrounding road network)*

_____
_____
_____
_____

Details of Provisions for Emergency Vehicles

_____
_____
_____
_____

Impact on Transport Efficiency

_____
_____
_____
_____

**8. Costs of Implementing Project**

Estimated Total Cost of Project (GST Excl.)

Amount of Funding Requested From State Funding Program (GST Excl.)

Estimated cost of Implementing the Project

*(Applicants to outline each major component of the project, the component's estimated cost & specify its funding source)*

_____
_____
_____
_____
_____
_____

**9. Implementation Program**

Timeframe for Works *(Projects must be completed in financial year to be eligible for funding. Applicants to demonstrate how this can be achieved.)*

_____
_____
_____
_____

Location of Signage *(Information on the location of signage. Where appropriate sign/s must be installed to inform that the project is funded partly by the State Government through the new road safety levy).*

_____
_____
_____

Traffic Volume Data of Road to be Treated *(Include any surrounding roads if significant changes in traffic patterns are likely and detail possible migration of problem)*

_____
_____
_____
_____

Details of Consultation with Stakeholders

_____
_____
_____
_____

**10. Supporting Documentation**

Details of Traffic Studies carried out *(Including estimates of traffic studies carried out on other roads and any accident, speed and noise studies) if available*

_____
_____
_____
_____
_____

Submissions for project funding are to be received by the Department of Infrastructure, Energy and Resources no later than Friday, 07 May 2010. All submissions should be sent to:

Jonathan McGuffie  
Senior Policy Analyst  
Land Transport Safety Policy Branch  
Department of Infrastructure, Energy and Resources  
10 Murray Street  
HOBART TAS 7000
