APPLICATION FOR AN AUSTRALIAN DISABILITY PARKING PERMIT FOR A DISABILITY CARE ORGANISATION

PTS207-2

Organisation disability parking permits are only issued to disability care organisations that are registered as incorporated bodies. Each parking permit is assigned to a vehicle registration number and this vehicle must be registered in the organisation's name.

A \$50.00 (GST Incl.) fee is applicable for each organisation permit. Permits issued will have a two year expiry and are not transferable between vehicles. Payment methods accepted include cheque or money order to be made out to - Passenger Transport.

An organisation disability parking permit is only valid for use when the vehicle is transporting a current Transport Access Scheme member. See Parking Concession guidelines below for full details on parking permit conditions.

Parking Concessions

An Australian Disability Parking Permit issued by the Transport Access Scheme to a disability care organisation entitles the vehicle shown on the permit to park:

- in parking zones designated for people with disabilities for not longer than any time which may be displayed on the parking sign,
- in an area controlled by a parking sign (including parking meters) indicating a time limit of less than 30 minutes for a maximum of 30 minutes,
- in an area controlled by a parking sign (including parking meters) indicating a time limit of between 30 minutes and one hour for a maximum of two hours,
- in an area controlled by a parking sign (including parking meters) indicating a time limit of one hour or longer for twice the time indicated on the sign.

Concessions apply to on street parking only, but many Municipal Councils have designated vehicle spaces in off street car parks for people with disabilities.

Please Note

- Organisations are not entitled to use their parking permit unless the Transport Access Scheme Member is leaving the vehicle.
- Parking Concessions only apply if the organisation disability parking permit is displayed on the left hand side of the front windscreen so that the permit number can be clearly seen by parking officers. Parking infringement notices will be issued where permits are detected being used outside of the conditions specified above.
- The maximum time allowed by a parking meter, or for a parking space for which a voucher vending machine is in operation, must be paid before the additional time allowances conferred by the disability parking permit come into effect.
