

Temporary changes to bus travel at Devon Hills

Due to the temporary closure of Haggerstone Rd, (old Midland Hwy) northbound Tassielink services will not be able to stop at Devon Hills.

This may affect your current travel arrangements.

Haggerstone Rd (old Midland Hwy) will be closed from **December 2019 to February 2020** to northbound traffic.

Tassielink bus services will not be able to stop at Devon Hills when they are travelling northbound (to Launceston).

Devon Hills passengers going to Launceston will need to catch the bus at Perth. Passengers can use the bus stop at Scone Street.

Tassielink southbound buses (coming from Launceston) will still be able to stop at Devon Hills.
