

# SERVICE WORKS PERMIT APPLICATION

Service works in the State Road Reservation require approval under the provisions of the *Roads & Jetties Act 1935*.

Service works can include (but are not limited to) gas or electrical connections, watermains, stormwater/culverts and any pipework.

Applications must be received by the Department of State Growth a minimum of twenty (20) business days prior to the expected commencement date for works in order to allow sufficient time for the application to be assessed. Receipt of a completed application does not necessarily mean that permission will be granted to undertake proposed works.
